

# SAVE HILLCREST

*protecting our community character*

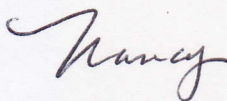

February 16, 2016

Save Hillcrest has participated in Hillcrest land use planning for many years, as far back as 2005. We've participated in the process of updating the community plan for six years.

Save Hillcrest strongly believes in "maintaining the historic feel of the neighborhood", and preserving the "unique nature of the Hillcrest business district".

We urge you to return to the June 2015 draft map (without bonus densities) and bring this plan to a conclusion.

Sincerely,

Nancy Moors  
Chair — Save Hillcrest
