

Michael Brennan

I'm running for re-election to the Uptown Planners as a landscape architect, a small business owner and someone who is dedicated to making Uptown a more vibrant place to live. My civic involvement began with designing Pride Plaza eight years ago and to this day it brings me joy when I see our flag standing as a beacon of inclusivity. Over the next 4 years I will continue to advocate for projects that address climate action from greener streets, to safer bike/ped routes and greater housing opportunities for all people who want to call Uptown their home. I recognize the Normal Street Promenade as the greatest civic opportunity for Hillcrest in a generation and am committed to advancing this project for all Uptown residents to enjoy.
